

CSFD FACILITY REPORTING TOOL

If CSFD personnel have a concern that a facility is not operating in accordance with the 2015 Colorado Springs Fire Code requirements and/or 2018 Code of Colorado Regulations, they will submit a report to the CSFD's Division of the Fire Marshal and Medical Division. After reviewing the report, the facility will be contacted to discuss these concerns. Based on the findings, the report will remain with CSFD or, it may be escalated to the Colorado Department of Public Health and Environment.
