To get there via one of our city buses.

From the downtown terminal leaving at half past the hour, get on Route 19 and ride to the end of the line which is at the Ent Center for the Arts near Eagle Rock.

If coming from the north, get on Route 39 leaving from the Voyager Transfer Station. Its final stop is the Ent Center for the Arts on Near Eagle Rock.

Route 39 changes to Route 19 at the Ent Center for the Arts and continues to the downtown terminal.

If you should get on Route 19 leaving on the hour from the downtown terminal, it does not go to the Ent Center for the Arts. It will stop on Nevada after crossing Eagle Rock and change to Route 39. You will need to walk up the hill to The Ent Center for the Arts.
