REVISED*

Dear Valued Vendor,

In an effort to improve efficiency, the City of Colorado Springs will be using the [Rocky Mountain E-Purchasing System](#) for soliciting bids and proposals from vendors. This system will provide you with convenient online access to all bid information for City of Colorado Springs as well as 106 other local agencies throughout Colorado.

It's easy to participate in future bid opportunities from these agencies—simply register online. **To register, visit [Rocky Mountain E-Purchasing System](#), and complete your online registration.** If you are currently registered as a Vendor on this system with another local agency, you do not need to register again.

The City will begin using the new system on ~~May 5, 2014~~, so we encourage you to register as soon as possible. *Due to timing and logistics, utilization of the new system has been re-scheduled for JUNE 9, 2014.

We look forward to providing you with more solicitation information, less paperwork and simplifying the processes for everyone involved. We thank you for your cooperation and welcome your continued participation!

If you need help registering, please call the support department at BidNet toll free at 1-800-835-4603.
